

KBA PROTECT SPARES

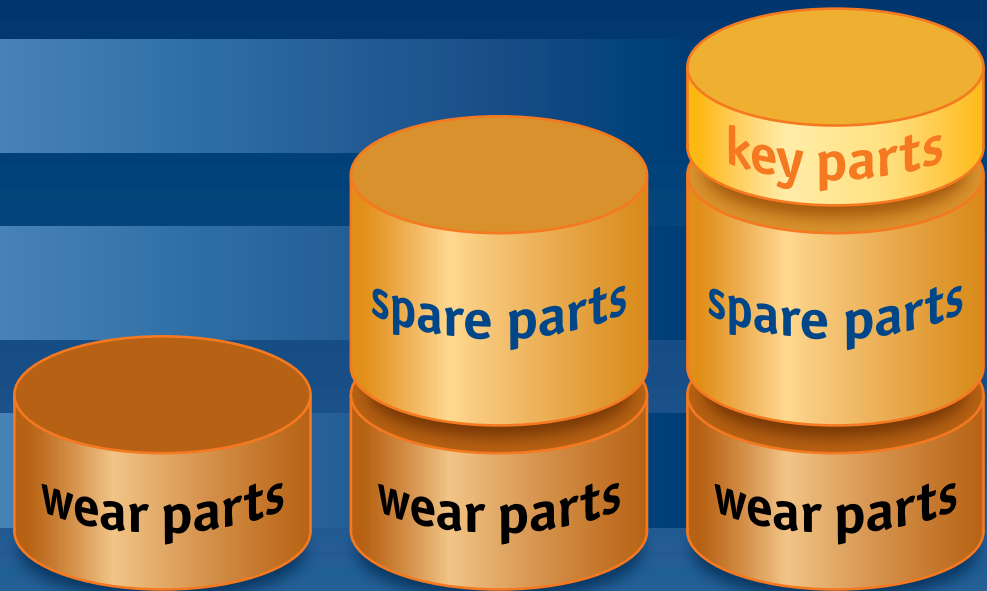

Excellent line spare parts management
with our original KBA spare parts packages

✓ Optimum

✓ Plus

✓ Basic

Our packages contain essential wear and spare parts tailored to the requirements of your plant. This gives you direct in-house access to all the parts you need.

And as soon as you have used a component from your KBA spare parts package, you can re-order from KBA – without time pressures or expensive express shipment costs.

Only using KBA MetalPrint original spare parts will ensure the full productivity of your line and the quality of your products long-term.

Please contact us and we will be happy to tailor a package to the specific requirements of your plant.
